FITTEAM FAMILY REUNION

First and foremost, we want to thank everyone that attended the FITTEAM Family reunion in Louisville Kentucky, because of all of you this event was the best FITTEAM has ever had. We would also like to give a special thanks to our speakers; the famous author of books such as No Excuse Leadership and Tested – Brace Barber and our personal EVO back-office programming genius – Steven Hooper. Their messages of no excuse leadership and staying in touch with your team resonated with all.

FITTEAM would also like to thank Churchill Downs for recognizing FITTEAM as one of the best groups they have hosted and sharing the rich history of the iconic venue with our Bronze through Emerald Executives, they deserved every second of it.

Amidst the training, we hope everyone enjoyed the dance-off inspired by Maria Pumarejo (shout-out to Debby Gasperoni's worm) and getting into the deeper sides of things by exploring dreams with Brent Niblo's fireside talk. They both reminded all of us of how important it is to always listen and build a rapport with those around you.

Everyone here at FITTEAM started for a reason and we encourage you to always keep sight of that WHY. We urge you to continue to write down your dreams and the ways (action items) you intend to reach them so that at our next event we can congratulate you on reaching your goals. Click the video image below to see a recap of the event!

Be sure to register for our first ever international event FITTEAM Purpose happening this December in South Florida. To register please visit fitteampurpose.eventbrite.com. We look forward to seeing you there!

FITTEAM + COMMUNITY

At FITTEAM, we support organizations making a difference in our community. One of these great organizations is the Quantum House. If you aren't familiar, Quantum House is a caring and supportive home that lessens the burden for families whose children are receiving treatment in Palm Beach County for serious medical conditions.

Quantum House has been helping families since 2001 because of donations and is still the only hospital hospitality house serving children and their families this way between Miami and Orlando, Florida.

This year, Quantum house is having a new fundraising event, called **Raise the Roof** where participants are gathering to raise funds for the home. All funds collected go directly towards keeping the house running so they can continue to be a home for families. FITTEAM wants to support Quantum House in making this inaugural event – a HUGE success! So, we are pledging our support and encourage you to join us!

Did we mention that **Raise the Roof** is a dance marathon? This six-hour danceathon will be happening September 21st, 2019 at Keiser University starting at 6:00 PM. Participants are welcome to join in person or virtually. This means you can participate from the comfort of your own home anywhere in the world!

FITTEAM asks that you join our efforts in supporting Quantum house through one of the following ways:

- BY CLICKING [HERE](#) to join our team by making a donation and Raise YOUR Roof at home – this event will be streamed LIVE on Facebook through Quantum House's FB page.

- BY CLICKING [HERE](#) to join our team in person on the night of the event.

BRAND PARTNER SPOTLIGHT

This month FITTEAM would like to congratulate our Diamond Leadership Council on their recent awards and continued success!

Brenda Johnson Duplication Award

Brenda was the recipient of the Diamond Duplication Award at our Family Reunion event. This should come as no surprise to anyone who knows her. Brenda is one of the kindest and most helpful humans we know, she is always going above and beyond to help those within her organization.

Katie Lavergne Top Sponsor Award

Katie was the recipient of the Diamond Top Sponsor Award at our Family Reunion event. This is not the first time she has won this award either, Katie is consistently a top sponsor not only within her team but in the company. She continues to remain driven and unstoppable.

Paula Turk Growth Award

Paula was the recipient of the Diamond Growth Award at our Family Reunion event. This makes a three-peat for Paula. She is extremely disciplined and focused, living by her daily non-negotiables. Paula has proven time over time that she is great at helping those within her organization by making sure they adopt these same great habits.

Marie Bedell Road Warrior Award

Marie was the recipient of the Diamond Road Warrior Award at our Family Reunion event. These past few months Marie made the decision to travel. BUSINESS BUILDING TIP

Canada Pre-Launch

Now that FITTEAM has officially pre-launched in Canada you may be asking, what does this mean for me, a Brand Partner. What it means, is that FITTEAM FIT can now be sold to anyone residing within Canada's borders. In addition, you are now able to grow your team in Canada by signing up Brand Partners as well.

If you are looking to expand your business throughout Canada, now is a great time! We encourage you to start by reaching out to your closest friends and family currently residing in Canada. This will be a great way for you to launch your business north of the border.

Once you have connected with all of your friends and family, we suggest that you move on to reaching out to your complete network of contacts. This will allow you to figure out who else they may know that lives there. This will open the door to a whole new group of prospects.

We are excited to see all of your amazing international growth!
