SILVER EXECUTIVE LEADERSHIP RETREAT

FITTEAM would like to give a THANK YOU shout-out to Tami Franklin, Tammy Kliewer, Amy Kreul and Tori Taft for taking part in our Silver Executive Leadership Retreat.

The weekend was full of so many great moments it would be hard to pick just one. Even though we all come from various backgrounds we remain committed to helping people and improving the lives of those around us. FITTEAM thanks each of you ladies for allowing us to get to know you a little better and for all that you do for others by growing your business.

FITTEAM remains energized by all the hard work and determination we see in all our of Brand Partners. We look forward to our next silver executive leadership retreat.

BRAND PARTNER SPOTLIGHT

Tami Franklin – Youngstown, Ohio

Tammy is an absolute rockstar. If you know Tammy you know she always has positive attitude and a smile on her face. We appreciate her endless energy and her ability to inspire those around her. We know that her upbeat positivity will only continue to bring her success.

Tammy Kliewer – Cameron, Missouri

All of Ohio should feel lucky. Tami is one of the most selfless people we have had the privilege of getting to know. You can always count on her to lend a helping hand. We look forward to watching her continue to grow and help those around her.

Amy Kreul – Orlando, Florida

One thing about Amy is clear, nothing will stop her. Amy's ability to pursue her goals through relentless dedication acts as a great reminder to all of us that if you work hard it will pay off. In the words of Brent Niblo, "Amy is beast mode" and we couldn't agree more.

BUSINESS BUILDING TIP

Build & Maintain Momentum

It is critical for every business to continuously build and maintain momentum! Below are some tips to help you to build and keep your momentum going.

1. KNOW WHY YOUR GOT STARTED.

It is important to always remember your WHY. Knowing your WHY will help drive your motivation for success. Even though your WHY may change over time as your success grows, it is important to always keep sight of that WHY.

2. WHAT IS THE ALTERNATIVE.

Once you have your WHY laid out and focused in on, take a look at what your alternative is. Most likely any alternative would not be better option, it is also important to consider the cost that comes with the alternative.

3. PLAN YOUR WORK, WORK YOUR PLAN.

Every entrepreneur needs a plan and you are not different. Workout a plan on how your business will grow, what your intentions are and the goals you want to achieve. Then work your plan, stick to your growth plan, intentions and goals. If you treat this opportunity like a business it will pay you like a business. Pro tip: Revise your plan at least every 3 months so it is always up to date and you can continue to grow

4. SPONSOR, SPONSOR, SPONSOR.

This one should be a given. You can experience no real growth if you are not out there sponsoring every day. Remember this is YOUR business. Even though you may have a team your success can only be attributed to what you put it, so never stop sponsoring.

5. PUSH THROUGH REGARDLESS.

Like in any business there will be highs and lows. It is important to never give up or lose your motivation during a low but rather push through and use this as a reminder that you must work your business every day. As you begin to push through you will see your business grow and succeed.

ENHANCE VIRTUAL OFFICE

TIP OF THE MONTH

Since the roll-out of our new system there has been a lot of changes to your back office portal and we want to make sure we do our best to keep you up to speed. One of the most frequently asked EVO question is: "How do I make changes to my Loyalty Order?"

The answer may be easier than you think, below we have outlined the steps you should follow in order to make changes to your loyalty order.

Step 1: Login to your EVO.

Step 2: Proceed to the drop-down menu on the top right hand side of the screen.

Step 3: From this drop-down menu select "Manage Loyalty Orders".

Step 4: Then select "Change" and you will be prompted to a screen where these changes can be made. This screen is shown in the image below.

The screenshot shows the 'Shopping Cart' page with the following sections and callouts:

- 1**: Points to the 'Change shipping information' link in the Shipping Information section.
- 2**: Points to the 'Change payment information' link in the Payment Information section.
- 3**: Points to the 'EDIT ORDER' button at the bottom left.
- 4**: Points to the 'I'm not a robot' checkbox in the captcha area.
- 5**: Points to the 'CLICK TO SAVE CHANGES' button at the bottom right.

The 'ORDER SUMMARY' table is as follows:

ORDER SUMMARY	
Item(s) Subtotal	US\$46.99
Shipping	US\$9.99
Tax (5%)	US\$0.00
Sub Total:	US\$56.98

The 'IMPORTANT' notice states: "After making ANY changes to Shipping info, Credit Card, Product Selection, Shipment Date, or Shipping Method, return to this page and click the red 'Save Changes' button."

Now you are on the screen in which you will be able to change the date of your loyalty order. Please note the following items in the above image:

#1 Shows you where to make changes to your Loyalty Order Date.

#2 Is where you go to change your credit card number or expiration date (Be sure to delete the old card).

#3 Is where you edit the products and items in your loyalty order.

#4 Remember after making any changes, remember to click "I am not a robot"

#5 ALWAYS click "Save Changes"
